“ My condolences to Sandi's family. She was a wonderful lady, who always had a smile and a kind word for anyone who entered the office at SWHS, and who greeted me on my first day 10 years ago with the most heartfelt welcome. Dedicated, loving and always professional and caring. She will be greatly missed. May she rest in peace and may her family find solace in His Grace during this time of mourning.

To the Carrillo, Garcia family, my sincere condolences on the loss of your sister and Mother. May she Rest In Peace. I'm going to miss her random calls, her voice and most of all her laughter. Sandy and I worked together for many years, during summer before her break we'd meet each other for lunch. I'm going to miss her tremendously. RIP mi Amiga.

“ It is with deep sorrow that I reflect on the beautiful person that was Sandra Carrillo. I arrived at SWISD 15 years ago, and as the receptionist, Sandra was the first person to greet me into the Dragon family. Her kind demeanor and at the ready smile made me feel at ease and assured me that I had arrived at the right place. This never changed in 15 years of interactions with her. She always had a kind word and a bright smile to share; she was compassionate and was willing to help us; and she was knowledgeable and a true professional. Her passing is a great loss for our Dragon family and an irreplaceable loss for her family and friends. We enjoyed having her and she was loved at work, therefore we can never lose her, as part of her good example will always be a part of us.

My most sincere condolences,

“ Oh my Sandi . You helped me so much. You always knew when I was struggling with something. Always sharing pancakes you would get every day(Bill Millers will miss you too) ,and a tea. You helped me so much after my mom passed away, I hope you know. We were a good team at the high school (even though I yelled at you to answer the phone 😊)You were Chench & I was Chela. I will forever be grateful for your friendship. Now you can be at the coast every day and be with your honey enjoying a cold one(I know you missed him). You are forever in my heart and prayers. “ Although I did not know Mrs. Carrillo very well, I did come to dread her emails! There is an unspoken rule: Never get on the bad side of the Principal's Secretary! I did NOT want to get on her bad side. Every time I forgot to punch in or out (for the last 2 school years) there was a short email in bold, "What time did you get here?" Or, "What time did you leave?" I would drop everything and reply to her emails. I didn't want to imagine what would happen if she had to email me twice. I this I was more frightened of her emails than the Principal's. I know this put more work on her plate, but she never seemed agitated (I forgot to clock in or out alot over two years). I will miss her warm greetings anytime I stopped by the office. I'm sure her work behind the scenes kept the school running and she will definitely be missed!

“ *Rest In Peace, Sweet Sister. You are a great mother and amazing grandmother. You will be in my heart forever until we meet again. You are loved by many. I will miss you terribly, my heart breaks, so soon you were gone. So proud of all your endeavors at your employment initiating with HISD and then with SWISD. All students, educators, and staff were blessed to have such a hard working 24-7 employee such as yourself. Mom and Dad are so proud of you as well. You worked your portion like no one I've ever known. It's a blessing to say Sandra Carrillo is my sister. Until we meet again, the forever love stays in my heart. Amen.* †††

I am so sorry you have lost your mom. She was an amazing lady. I had the pleasure of seeing her beautiful smile for 20 years during my time at SW. Always smiling, always hard at work and always willing to help. No one can ever replace her but she is forever on my heart. May God bless you and wrap his arms around you during this hard time.* 🙏🙌❤️

Good morning Mrs. Carillo, I would say every morning and she would say Ms. Sandi please. Then we would laugh. She greeted everyone who entered the front office with a smile while multi tasking -which she was great at. When I left to go teach Elementary she told me to come back to visit because she was going to miss my loud voice over the intercom when she buzzed the gym. Sandi will be deeply missed by all. Someone so special can never be forgotten.
