“ I am heartbroken by the passing of my dear friend Sandy. Sandy and I shared a special connection, you see we were both born on Jan. 25, 1956. Every year since we reconnected on FB we always extended special greetings to each other. I will forever miss her and will continue to think of her in years to come. RIP my friend 💔💔

“ I am so saddened by this news. Sandy was such a dear friend all throughout our school years. I'll never forget the first night of our 30th class reunion when I was standing close to the door when she walked in and even though we hadn't seen each other in more than 30 years, she grinned really big at me & said, "I know exactly who you are, I'd recognize that smile anywhere". I'm so sorry that the last time I saw Sandy was at her mom's funeral. Too many miles separated us, but thanks to FB we were able to keep in touch. I'll forever treasure our friendship.  
RIP Sandy and I'll see you on the other side.

“ Dewey and Erica,  
So sorry for your loss. While I didn't know Sandy well, she was certainly a gracious woman in the dealings I did have with her. Please know you are in my prayers that God hold you in His hand as you grieve and heal.

“ I worked with Sandy at the Bristol VA, DSS. She was always so kind and friendly to me. She *SINCERELY* enjoyed our family's home made peanut brittle that we make each Christmas season. I doubt Dewey every got to taste any!

*My thoughts and prayers are with the family.*
