“ Sandy, You were truly a jewel to me. When I couldn't see the light, you assured me it was there. You supported me while at Quest and after I left. You made light in the darkness, sunshine when it was raining, sadness into happiness. You are now with your loved ones in heaven, and you left many memories for your loved ones here. Heaven will never be the same now thanks to your love, laughter and your graceful presence. With all my love Sandy, see you later.

*Sandy, for over 25 years you have been my mentor, advisor, lunch mate, "partner in crime" and cheerleader. There was never anything I couldn't go to you for that you wouldn't have the answer, insight or guidance for me. You are more than a friend to me, you are family. You were always there for anyone who needed you and never wanted acknowledgment nor recognition. What you did came from your heart. It is my honor and blessing that you were in my life. I will forever hold and cherish our memories. Rest in peace my beautiful, sweet Sandy. You are forever in my heart.*

“ *Being your daughter-in-law for 30 years was a blessing. Thank you for treating me so well & being a 2nd mom to me & thank you for loving Colby, Sierra & Ashlyn with so much of your heart. You were such a wonderful grandmother to them & they were truly blessed to have you as their MeMaw. I know if you would have had the chance to know your 3 great-grandchildren, Austyn Kate, Nolan Jacob & Brazos Knox, you would have absolutely adored them. We will miss you so very much, and I hope you know how loved you always were.*
