“ *My condolences to you Tio Mando and your family. Sandra was funny and always supportive of the Campos boys, Joey and Logan. She would always help us with their fundraisers and always bought stuff to make sure they would make their sales and the boys always new to run to tia Sandra and tio Mando's house because they always helped out the boys and their baseball team. Her laughter when she was at the house as we talked about life and family in the back yard will be missed but never forgotten. She will forever be in our hearts. The Campos family will continue to keep your family in our prayers.*
