“ I worked with Sandy for many years at Kelly AFB and Brooks City Base. It is an honor to have known her. As much as she cared about her job, her family was her passion. She spoke of y'all often and was always planning her next trip to see you. I will miss her.

“ My condolences to you all. I had the pleasure of working with Sandra at Kelly AFB when she first started there! I watched the attraction between her and John grow and flourish. She was an intelligent and caring lady...a little sarcastic, but that just made you like her more! I love your photos and being able to see the joyous family times that you all shared. I always felt privileged to know Sandra. (Norma Wheatley Favaro)
