“ It is with deepest condolences that I try to write this message to Sandy's children Shawn, Danny, and Christy. I loved your Mom so much. She was such a wonderful person with such a caring heart. I was so honored to serve with her in the Air Force and work along side of her. She was diligent and possessed so much integrity, always someone that could be counted on to get the job done and make sure it was done right. She took time to get to know each of us and always remembered our birthdays. No matter where in the world the Air Force took me, we always kept in touch and whenever I happened to be in Texas we always made it a point to get together. I really enjoyed our last visit in Dec of 2019. Some of my favorite memories of Sandy were playing softball together from 1987 - 1989. I'll never forget rooming with her at Arnold AFS in Tullahoma Tennessee, we had some great laughs on that trip. I know how much she loved her family, especially all her grandchildren. I am so grateful that Christy has always kept in touch too so that I could enjoy time with her family whenever I happened to be in Florida. You were all so lucky to have her as a Mom, Grandmother, and Great-Grandmother. I feel extremely blessed to have known her as my Sister-in-Arms and dear sweet friend. May she rest in peace and look down on us all with the love I know she has for us.

“ Sandy, what can I say. You were one of my longest and dearest friends. God bless you. We had some great times together living there next to each other didn't we? Don't forget the TP LOL I love you Sandy rest in peace my dear dear friend. You are in my heart forever. CHRISTY, Shawn, Danny I'm so sorry for your loss. Your mom was like a sister to me in her own way. I want to make sure that we all stay in touch. Family is important as few as there are and my family is nothing but friends these days, But quite honestly friends are better than family they're there when you need them you can be there when they need you and the love never stops. I hope you know I'm here for you, for anything. It makes no difference. All you have to do is call me text me Facebook me whatever it takes I love you guys so so very much. God bless all of you and your families. Your mama has her wings now , she's with your dad And she is your guardian angel now. RIP Sandy 🙏😭❤️
