“ Lance,

Please accept my deepest condolences for the passing of your mother. Sandy was always so nice to me. Although I hadn't seen her in several years, she was always lively and spirited every time I saw her. Therefore, that's how I'll continue to fondly remember her... Kindness in her eyes, smiling, and laughing. I hope that everything wonderful about Sandy continues to be passed on and shared. My prayers are for you and your family at this time.

*Warmest regards,
Laura Dominguez Biegler*

“ Lance and family, I want to send my sincere condolences for your loss. I met Sandye several years in Bible Study. Always enjoyed time spent with her. She was a fighter and she fought hard. May God bless you and give you peace.

“ So sad to hear of Sandye's passing. I worked at her dental office for over 20 years and she was always a ray of sunshine, no matter what she was going through. She will always be an inspiration to me. I always looked forward to her visits, our chats and always a big hug. My prayers are with her wonderful family, whom she always spoke of so lovingly. We were all blessed to know her!

“ We would like to offer our condolences to Sandye's family. We have been one of Sandye's neighbors for 20 years. She has always shown us kindness. Anyone on our block know that Sandye and Lil have always had the nicest yards in the neighborhood. When she was outside working on her yard we would stop and say hi or slow down and honk if she was not curbside. Even when she was sick she didn't let her yard slip. :-) We will miss her and we do know she is no longer suffering. The Lord has blessed us with her on Angie Pl. and now he has called her home. I know she is already working on the Lord's yard. God Bless you.

“ 1st became acquainted with Sandra as a coordinate while I was managing a repair testing & dispatch center in Harlingen, Texas early 80's. Determined we graduated from same High School about 5 years apart and she was a classmate with one of my sister in laws. Reengaged with her in 2000 when she was a contractor in San Francisco and I was on the Staff of SBC - Advanced Solutions Inc., here in SA. Her obit mentions her attention to detail. That is spot on for sure. Could always depend on what ever she gave you. Stayed in touch over the years in our retirements as FB friends I will miss this lady.

Growing up across the street Sandye was our second mom. She was the best example of a Proverbs 31 woman; ever in prayer and full of encouragement. Her laughter would fill a room and her smile stretched fully from ear to ear. She was a fierce warrior, battling and beating many illnesses and cancer. But you generally did not know she was going through this as her joy in the Lord was shining before her.

Sandye reminded us often that it's our choice to "make it a great day". She would say , no matter how I feel in the morning when I fix my hair and put my lipstick on I feel better and am ready to face the day.
