☐ Dad loved helping neighbors with their lawns and gardening as well as giving away everything he grew to his family, friends, and people in the medical field that he saw as a patient.

☐ Dad loved all kinds of music. He liked meeting with friends, listening to country music, and drinking a couple of cold brews.

My dad and mom showed us how to live and love as a family, and we handed it down to ours. We are proud of our parents, and we know they are proud of us even through the ups and downs. We will always thank them for how they raised us.

Dad was born a cowboy and died a cowboy.

We love and miss you.

*May God hold all of you in these difficult times. We were planning on going to the service today but decided not to risk getting Mom out in the bad bad weather. She gets unsteady on her feet sometimes so we did not go. Please know we were there in spirit and you are in our prayers.*
