Even when your knee was hurting and could hardly walk you still manage to be there for my beautiful Brother then managed to go home to cook for your sons, clean house and wash clothes not one time did you complain. you were there for my brother until his passing. Know that you are loved. also your children and grandchildren. thank you for being a good wife, mother, and grandmother you are blessed.

“ My memory of my Brother Santos is funny . when I was eight months pregnant with my third son I was riding around with Santos. Then he says to me I'm going to do a donut and I said what's a donut? And when I said he revved the engine of his Trans Am and started doing the donuts I was screaming this was in 12-72 and he just started laughing I told him you're going to make me have the baby!
