

Sarah Jane Param Pascual

November 23, 2020

Our dearest, beautiful Sarah Jane Param Pascual (age 35) has peacefully joined our Almighty Father on November 23, 2020 after fighting a long, courageous battle against breast cancer.

At the age of 27, she was one of the youngest patients to be diagnosed. Her oncologist advised her to stop nursing school, so she can concentrate on her rigorous treatment plan. With her grit and determination, she finished nursing school, passed her board exam, and fulfilled her dream to become a registered nurse.

She openly shared her journey to educate others in awareness and early detection of breast cancer. She was a fearless warrior! Sarah Jane was the epitome of inspirational bravery, quick wit, kindness, and beauty. She will be missed by many!

She was preceded in death by her father, Joselito Movido Pascual. Sarah Jane is survived by her loving mother, Luzminia Param Pascual; her sister, Luzi Joanne Pascual; numerous aunts, uncles, cousins, nieces and nephews. Sarah Jane believed, "You have one life and one body. What you choose to do with it and what you choose to do on this earth, it depends on how hard you will fight."

Until we meet again, our sweet angel...

“ Sarah has been a champion to the community of breast cancer survivors for many years. I, as a Survivor, have been inspired by Sarah over the years by her strong spirit, determination and will to educate women of the importance of early detection and well woman care. I will never forget the fond memory i have of Sarah waiting , at the finish line, of the Komen Race.. dressed in her Superhero Costume. She was there to congratulate us all as we crossed the finish line. What a sweet surprise. Now, I have to hold onto that memory and know that beautiful Sarah is now guardian angel to so many women... the only consolation to her no longer being here with us, is to know that she watches over us still and will be waiting to welcome us all "home" when it is our time to cross the final finish line in this lifetime. Her faith in God has been an inspiration to me and because of her, I have found myself stronger in my own .
