“ *You were not only my grandma but like a second mom to us all. Thank you for always loving us and taking care of us. Always putting everyone before yourself. You always said “take care of your mom, because you only get one” those are words I live by. A piece of my heart left with you but I know you are no longer suffering and you are rejoicing with Everyone in heaven. I always say I’ll see you later Mom, until we meet again. Please watch over us all my beautiful gorgeous sunshine and now my angel. Love you Mom*

“ *You know that saying “you never know what you have till it’s gone!” I never once believed in that saying until now. When I lost you mom, I lost myself. I’m trying really hard to be the backbone for the family, but it’s really hard. How can I move on without you? How can I live without you? You were my light at the end of the tunnel. My heart is broken, and it will never heal until I’m back with you. Love you mom, always and forever!* ”
