

Sarah Elaine Sultenfuss

May 31, 1945 - October 16, 2020

Sarah Elaine Durda Sultenfuss was born May 31, 1945 on the southeast side of San Antonio to Sam Durda and Nevelyn Tanner Rice. In 1960 at the age of 15 years old she met the love of her life, Clarence Sultenfuss, Jr. Clarence's cousin Margaret introduced them that one fateful day and from that moment on they became each other's life.

On July 9, 1965, Clarence did the honor of making Sarah his wife. Sarah and Clarence had 3 children, 8 grandchildren and 3 great grandchildren. They loved them all dearly.

After a lifetime of over sixty years together, Clarence was by Sarah's side when she went to join the Lord on October 16, 2020 at 3 p.m. Sarah was also surrounded by her daughter Christine, her son Cody and many other family members, friends and loved ones.

She loved her family dearly and sacrificed so much throughout her life to make sure theirs was better. She always encouraged her children and grandchildren to do their absolute best. Sarah was known by many different names over the years. First and foremost, she was a loving and dedicated wife, Mom, Nana, Nan, Grandma, Granny, Sister and Clarence's special baby.

Sarah loved all kinds of music and loved to play it loud. She loved to work in the garden, plant roses, hibiscus, and many other beautiful flowers that she

would proudly tell you “are only found in a grandma’s garden”. There will be a tremendous void in the hearts of many now that she is gone. Her faith in God was strong and she would tell you “it’s only temporary and God is anywhere your heart is”.

Visitation is Thursday October 22, 2020 5pm-8pm, with a rosary at 6:30pm held at Dellcrest Funeral Home located at 2023 WW White Rd, San Antonio, Texas. “ Sarah wasn't my sister by birth, but for 58 years she was in my heart. We could go a year without talking and seemingly continue the conversation where we left off. She was a bright, sparkling light that shone on everyone around her. Her memory brings me joy.

My deepest sympathy to the Sultenfuss family at Sarah's loss. I met her back in the 60's through a friend that worked with her and we had some nice visits at her house and meeting Clarence. We envied them as newlyweds being the first of us youngsters to tie the knot. I have thought of them over the years especially as we have aged, spread out and ultimately lost contact. The family was always so welcoming when we stopped by and my heart soars at the many years they had together raising a family. Sarah's baby blue eyes were one of her most stunning features. God bless your family as you carry all the wonderful memories in your hearts until you reunite in Eternity.
