“ Hi Pelon!

*I'm sorry I couldn't be there for your funeral, primo. We always talked about boxing, something we both loved. I remember telling you how bad I wanted that State Golden Gloves ring when I competed. I fell short, but the experience will always stay with me—and so will those conversations we shared.*

*I've always been proud to call you my cousin, especially knowing what you and your brother accomplished in the boxing community. Being on the Wall of Champions in Fort Worth is something that will live on forever.*

*Rest easy, primo. You will truly be missed, and I will always love you.*

*Say hello to my dad for me—you both left us at the same age. Ricky*
