“ *What I remember most about my Tio Saul was that he was always smiling. I don't recall a time that I didn't see him smile. He was a great person, always giving of himself and never expecting anything in return. I remember him telling me once, "You can take the man out of the Corps, but you can't take the Corps out of the man." You will be dearly missed but not forgotten because of all the fond memories you left behind.*
