

Sean William Wells

January 14, 1957 - November 19, 2021

Sean William Wells

Sean William Wells, a brilliant young man, was a student, award-winning musician, scientist, artist, sports enthusiast.

He succumbed, Nov 2021, age 64, to complications from tuberculosis, contracted in 2012.

A universalist, Sean expanded all our assumptions through constant intellectual exploration.

He is survived by his mother, Frederica Wells, siblings Kathleen Leos, Richard Wells, Colleen Coil, William Wells and Michael Wells.

Sean is a special spirit with deep connection to his Savior, Jesus Christ. He will be missed by all who journeyed with him through life
