“ I saw my dear friend for the last time tonight at the Rosary. It brought me back to some fond memories while in the National Guard. Servando, Melchor Pacheco, and myself would always go to lunch together. Something would always happen to one of us. Turn over glass of water, ice cream machine would squirt all over the place, or one of us would drink another's drink. It really made for crazy conversation the rest of the day. One day Mel didn't show up, so Servando and I went to lunch by ourselves. We were in Servandos car and the air police decided to stop us at the gate coming back from lunch. They opened the trunk and they saw Franks BB gun. They asked us why are u carrying a gun? The BB gun looked real. Servando told them, it's my son's BB gun, it's not real. They weren't having it. We were about to get taken in, when our commander drove by. He stopped and asked, what's the problem? The cops told them that we had a weapon. Servando told him that it was a BB gun he forgot to take out. Well, the commander says, they are my troops so release them to me. Servando and I were really sweating it out, but we were saved. By the way, Frank, did your dad ever get ur gun back?? My sincerest condolences to The Martinez family and May God be with you in this time of need. Rey (little bit) Ramirez

My Condolences to the Martinez family. My Name is Robert Cruz. I met Mr Martinez back in 1973 at the downtown Post Office. He was a Letter Sorting Machine operator back then. He was a type of employee you could also depend on doing a excellent job. He would always cherish his family always taking about his relationship with his relatives. Mr Martinez worked in different departments through our the Postal Service . The Plant moved to Perrin Beitel Rd in 1978 . That's where he worked until his retirement. He loved his job and of course all his Postal friends as well some have pass. One of his best friend was my brother in law Manuel Rodriguez. Both of them worked side by side working in Automation..Manual units also sorting packages by hand. It was a pleasure knowing Mr Martinez may he rest in peace.
