“ *Severo was my second Dad. We were neighbors for years and I love the Argais family so very much. We shared, laughed and loved one another. I will always have room in my heart for Shorty. God has a wonderful angel.*

“ *Please accept our deepest condolences to The Argais, Flores and Martinez families. Mr Argais was such a wonderful person. He always had a positive outlook on life no matter what life through his way. When his first grandson (Eric) was born he loved every second of playing with him and as Eric grew up they both enjoyed each other's company and I'm sure he was the same with his other grandchildren. He always was there for everyone in good and bad times. We will never forget his kindness and smile. May he Rest In Peace.*

“ We have some wonderful memories of Mr. Argais and his exact replica of his military Jeep.
We were part of many parades and ceremonies of all types where he proudly displayed his static display of military gear and equipment.
We wish to thank the family for allowing Mr. Argais to be a very important part of conserving history for the public and for future generations to remember respect and enjoy.
God bless.
