*Beautiful service. This morning mom, Linda Lou Montgomery, was looking through photos of her visit to see her brother Raymond and Ella Mae in 2004. She was reminiscing about the visit. Peace, comfort, safety, and love to Sharon, all of her nephews, and all of our relatives.*

*Wonderful and meaningful service and celebration of Cousin Shane's life. Although I had never met him, I feel blessed to hear how strong a Christian he was. I enjoyed the tribute photos and especially enjoyed seeing Uncle Raymond and Aunt Ella Mae. I especially remember staying with them one Christmas when my family went to visit them in San Antonio before Shane was born. My sincerest sympathies to Sharon. May your heart be filled with wonderful memories and family love. God bless.*

“ *Sharon and family:  
So very sorry to hear of Shane's passing. My husband James and I are praying for you all and send our sincere condolences. Shane worked with my dad, Roger Hedman, years ago before his passing in '99. I can say it never seemed like Just a working relationship over 20 years ago, more like a father/son bond with tons of respect between them and a great friendship. Shane was a kind and genuine person and we will never forget his selfless love and support during our time of need when he grieved for Dad just as much as we did. Sharon we grieve with you now and please know you are in our thoughts. Shane was a good man and will not be forgotten. Prayers for peace and comfort will be said for you in the days to come. RIP Shane*

“ Sharon and the rest of the Dietrich family: I join all the others in grieving along with you and praying for you. Shane was a great guy whom I'd known since our Nortel Installation days beginning in 1987. We shared a TON of laughs and became very good friends. In the last several years, we would chat once or twice a year. Always loyal. Always friendly. Always there. We need a lot more genuine people like him in this world. I hate that there is one less now. I am here if you need me.
