

Sharon Lee Chapman

September 14, 1943 - June 1, 2024

Sharon Lee Chapman was born September 14, 1943 in Memphis, Texas. She passed away on June 1, 2024 surrounded by her son, Michael, and her two granddaughters, Jessica and Jackie. She fought a long battle with lung cancer that metastasized to the brain. Sharon graduated from Polytechnic High School in 1961 and went to San Antonio College to get her paralegal certification. She worked at a prestigious law firm. In 1969, she married her husband, Robert Primm Chapman. They were happily married for 39 years before his passing in 2008. She missed him every day. Sharon was very classy and independent. She was strong, smart, and decisive. Everyone knew that she had a heart of gold and would go out of her way to help others. She loved to dance and sing. She was a big fan of Elvis Presley and Patsy Cline. She loved to travel, especially to visit historic sights. She loved to go gambling and explored various gambling establishments, from Las Vegas to Lucky Eagle. She always had a lucky hand. Thanksgiving was always a great day at the Chapman residence thanks to her. She knew how to bring people together, especially with her cornbread dressing. Sunday brunches were also a big hit. We will miss her breakfast casserole and topics of discussion. She took pride in being a wonderful wife, mother, and grandmother. She lived a long, fulfilling life and created so many loving memories with those she interacted with. It's gonna be hard to live our lives without her, but we know we will see her again. She will be truly missed.

She is survived by her only child, her son Michael Wayne Chapman, her

granddaughters Jessica Dianne Chapman-Gonzalez (Jose Roberto) and Jacquelyn Nicole Chapman.

“ I have fond memories of both Robert and Sharon. Robert was my brother's best friend for many years. Our family so enjoyed being with both of them. I was especially fortunate to make two trips with Sharon.... One to Arizona and the Grand Canyon and one to Charleston and Savannah. She was such a fun loving person and liked to have a good time wherever we went. Lots and lots of laughs together. Those are some precious memories. She would sometimes travel up to Brady/Rochelle with Nell Mitchell to take part in special occasions with the Lemke family. Everyone loved her and enjoyed being with her! We will certainly all miss her! Rest in peace, Sharon. Love you! Janet Lemke Morris

Sharon & Bob were among the first people Ron introduced me to when I arrived in SA over 40 years ago. They were great friends. After Ron's death Sharon was a great source of friendship & support. She was as an avid reader & great student of the law & the source of many hours of wonderful informed conversation. Our bond strengthened with the loss of Bob & we supported each other endlessly. I cried with her as she lost her ability to read & to discuss familiar things as lucidly as she did during her lifetime. She never lost her grace & love of friends. Her love of Mike & girls was always foremost & she was grateful for all they did. The world was a much better place with Sharon in it & I will forever have beautiful memories of her.
