

Sharon Jean Nicholson

November 16, 1963 - October 9, 2021

Sharon Jean Nicholson of Bandera, Texas, joined her Lord and Savior on October 9, 2021 from complications of COVID-19. She had both of her sons, Jeremy Khan and Benjamin Khan by her side.

She was born in Washington, D.C. on November 16, 1963. She is preceded in death by her parents Gloria and Jerry Cooper and Charles Nicholson. She is survived by her sons, Jeremy and Ben, sisters, Linda Dreibrodt (David), Amy Goddard (Stephen), and Christine Bechtel (Steve). She is also survived by nephews and nieces, Canaan (Mollie), Colson (Hannah), Antonia, Alex, John and a great niece and nephew Charlie and Bennett.

Sharon most recently worked at Kendall County Veterinary Center, doing what she loved most, working with animals. She had a heart for any and all animals and was an advocate for animal rights, especially for the ones with special needs and spaying/neutering. Sharon also worked in many areas of the travel industry including as a travel agent, reservationist and flight attendant. This allowed her to travel and experience her love of travel and seeing the world.

Along with her love for animals and travel, she was very creative. She loved painting, decorating, crocheting and turning her home into the haven she imagined. Her generosity with her talents was felt by many.

Sharon will be profoundly missed by her family and her friends. She had a fierce spirit and was an intense advocate for her beliefs of justice. Although her passing was unexpected at 57 years old, we know that she loved her Lord Jesus Christ, her family, especially her two sons of whom she was extremely proud, and all creatures great and small.

Her family is humbled by all the prayers and expressions of sympathy. If you feel led, please contribute to your favorite animal shelter.

Her Celebration of Life is set for November 13, 2021 at Verse by Verse Fellowship in San Antonio, Texas.

Sharon I remember some specific things and wish I had seen you more always meant to get to san antonio past years. Even though it's been a long time since I've seen you, I remember coming to San Antonio to see you & Linda and mom when I was a teenager and spending time with you you took me to the movies and ti see the Alamo and were just so much fun... I always admired you! And then when you came to Virginia in 1990 I spent time with you. And you bought me the most beautiful coral sweater that I had for many many years after!!! I just couldn't part with it and always remember that you gave it to me. Love your smile oh, your sense of humor. Just remember you as being a really cool person. Miss you so much!! Your memory will always be with me!

I met SHARON at Kendall County Veterinary. She was always smiling and so helpful. She made everyone feel so special and she loved all our pets. God has the perfect angel to love all the animals in Heaven now.
