

## Sharon K. Schuman

November 11, 1936 - August 8, 2020

Mom was born November 11, 1936 in Huntington Park California to Raymond and Gertrude Keller. A loving family with younger brother Dennis. She grew up with a heart of gold, full of life, ready for adventure: Ice skating and fishing. I remember her mentioning her tongue was stuck to an iced over water hydrant while ice skating!

Her love for fishing could make a clock spin, hours later her only request: more coffee and bait!

Mom loved to visit and share ideas, working retail was her passion: Joske's, K-Mart, Globe and volunteering at Northeast Baptist Hospital.

She met dad mid 1953 while he was driving a city bus and married July 5, 1954 at March AFB in Riverside California.

They had 3 wonderful boys that loved the outdoors as well, swimming, fishing, go-carting (dad built) and camping. So many good memories!!

Steven, the oldest is living in Gresham, Oregon with Theresa and son A.J. David, in the middle is living in Converse with wife Brenda, daughters Jennifer, Katie and Laura. Dennis, the youngest is no longer with us, bless his soul, leaves behind Chere living here in San Antonio, daughter Theresa and son

Michael.

12 Great Grandchildren!

Mom had a love for friends, flowers and pets, Lady, Pepe, and Peanut to name a few, in a way that was so genuine. She always said let's enjoy what we have and hang in there!

“ *I remember how she always had a smile on her face. She was always the first one to ask me how school or my life was going. We will be sad for a long while but we know you had to go grandma. Pop pop and grandpa will be okay, I promise. We love and miss you!!*💕💕

“ Denny (Keller) and I were Ushers at her and Hank's wedding and right in the middle of the "I do's"  
Denny "passed Gas" Loudly and then turned and looked me with disgust as if I was the culprit...and I got blamed! It's funny now, but at the time I think Sharon could have killed me.
