

## Sheila Yvette Cordova

December 7, 1969 - September 14, 2022

Sheila Yvette Cordova is now reunited with her mother and other loved ones who have passed on before her. She passed peacefully at Christus Santa Rosa Hospital, while surrounded by her family on September 14, 2022 in San Antonio, Texas. She was born on December 7, 1969 in San Antonio, to Gilbert and Mary Ann Cordova. Sheila is survived by her father; her sons, Nicolas Villarreal (K'Leigh) and Diego Cordova; sister, Evelyn Vasquez; grandchildren, Micayla, Eli, Gabby, and Diego Jr; nieces and nephews, Valor, Elijah, and Kaelah.

Sheila was a long-time resident of San Antonio, Texas. While she was born in San Antonio, she lived in Chicago for much of her childhood before returning to San Antonio in the winter of 1977. She Graduated from Incarnate Word Highschool in 1987. She attended classes at both Texas A&M San Antonio and University of Illinois Chicago.

Sheila was an avid reader and a perpetual student of life. She loved to dance and performed with dance groups throughout her young adult life. She was fascinated by all the many different cultures of the world. She was one of the best conversationalists you could find. There was almost nothing Sheila enjoyed more than an interesting conversation with a friend; old or new. She could have an engaging conversation with anyone. She was also one of the

most intelligent women you could ever count yourself lucky enough to come across. Her laugh was one of her most defining characteristics, which was welcomed and enjoyed by many. Her loved ones will miss her laugh perhaps most of all, as it brought us much joy and could brighten even the darkest moments.

Sheila was an excellent grandmother, and her grandchildren were her pride and joy. She was always excited to help them with schoolwork and give them impromptu spelling bees. She would listen to and tell stories with her grandchildren, all the while giving them the utmost interest and attention.

Sheila will be greatly missed by her friends and family.

How lucky we are to have had something that makes saying goodbye so hard.

“ *Shiela had the ability to make anyone feel special. No matter who you were, she could have a conversation with you. Some of my favorite moments with Shiela are sitting around my granny’s table eating, laughing and talking all night. You will be greatly missed.*
