“ *My aunt Shelva was my mother's best friend. I just found out about her passing. 9 years later. One of my most loving memories of Aunt Shelva is how she comforted my wife and I the night our daughter died. Aunt Shelva took us into her house and let us there that night so we wouldn't have to stay in the same place where our daughter had just died. She was so supportive and gracious to us in our time of need. There are many more things I can tell you of her acts of love (and humor) that could fill a book. I'm going to miss you Aunt Shelva.*
