“ We, myself, husband, children, and grandchildren would like to say (my mother) Sherry was a strong animal activist who would stop and rescue any animal she'd come across. She loved spending time taking care of her flowers and yard, specifically her rose bushes. Sherry who was called “Nana” loved spending time with her grandchildren watching animal planet, gardening, going to the lake, telling us crazy fun stories, teaching us how to play mahjong, and going shopping. Sherry was a kind and loving soul who cared deeply about her family and friends. She was a loving grandmother and mother, Sherry was someone who touched everyone's hearts deeply and will be missed.
