“ *The death of a spouse is different than any other loss. It changes every single thing in your world. The way your eat changes. Your interests changes and even the family dynamic changes. Essentially you are left with a life you never asked for. Nothing can prepare you for such a loss. Isaiah 66:13 says ‘ like a man whom his own mother keeps comforting, so I (God) myself shall keep comforting you people ‘ . So keep in praying to the God of all comfort and he will be with you in this difficult time.*
