“ I had the privilege of knowing and working with Shirley for the past year. Her dedication for others was genuine and exemplary. She showed me much with her passion and caring concern for the residents she was with daily, her terrific family especially her grandchildren and our Lord. What a magnificent human being. God Bless you Shirley...

“ I was so sorry to hear of Shirley's passing. Shirley and I were childhood friends and spent a lot of time together in elementary school. Years ago, she sent me a FB message reminiscing about a time we were specifically told not to go door to door selling girl scout cookies, and of course, we did. She was a great person. We went our separate ways as adults, however, when we would run in to each we would pick up right where we left off all those years ago in the Palm Heights neighborhood. I pray her family is comforted knowing she was loved by many.

“ My condolences to the family. I remember Shirley well in high school. She was very nice and kind. She spoke to everyone and was nice to everyone. You never saw her getting into trouble like some of the kids. I remember she was in honors classes since her freshman year. She was amazing.

“ I was so sorry to hear about Shirley's passing. Like Patricia Porter, I also went to Graebner and Lowell with Shirley. I remember being in Ms. Haigler's English class and laughing a lot with her. I also shared some wonderful times on the St. James CYO softball team. Thinking about those practices at Palm Heights or Cleo Field always makes me smile. I would see Shirley's Mom at St. James every now and then. I would always find her and give her a hug and ask her to say hello to Shirley. My deepest sympathy to her family. While she is no longer with you, she will live on in your lives as long as you remember her. May God's peace comfort you during this difficult time.

“ My heart aches for the loss of a wonderful boss. Shirley had a heart of gold, a great work ethic, and was always sharing her knowledge and experience with others. She made the time to talk to you know matter how busy she was. It will be difficult passing her office and not seeing her smile. Miss Shirley, thank you for everything you did for the residents at Brookdale Assisted Living and for all of us. You will forever be in our hearts.

“ *I am grateful for the the Lord gave me with such a beautiful friend, Shirley Flores. I had the pleasure of knowing her, since we were 5 years old. We spent elementary together as best of friends. We went on to middle school Lowell, where we were in many sports together. We would walk home from practicing and games; talking and laughing. Shirley always had a way of making people laugh. We played for CY O baseball for St. James together and spent many long weekends in tournaments. Our mothers would provide our food and drinks. They cheered us on, we won championships together and celebrated!*

*In high school Bubank, Shirley was a friend to many, to was caring, giving, non- judgmental, and many people just feel in love with the gift that she was to many of us.*

*We both graduated early and went our seperat ways.*

*Shirley never forgot where my mom lived and from time to time, she would drive by and by the Grace of God I happen to be visiting and we would start where we left off as though we never left each other. That was the kind of friend she was. I loved Shirley Flores and her family.*

*I had the humble pleasure of being part of her last days journey to be with the Lord. Now she rejoices with the Lord! I will see you again my friend! May the peace of the Lord be upon your family in Jesus mighty name!*
