“ *Socorro was my Godmother. She loved little dogs just like me. I remember being young and having my first Chihuahua and would always wanna hold her and i would get so jealous. Her and my Nino would just laugh. She is at peace now. We will miss you. Please say hello to my Grandma. Love Taylor.*

“ *Socorro you were such a sweet and caring person. You were always so kind and welcoming to me. I remember the first time I met you I was with Chris at his house and you noticed my pants where ripped and offered to sow them for me. You always kept in contact with me through the years and I loved that about you. Heaven has gained a beautiful happy angel with your kind soul.*
