“ I only had met Soledad last November. She was someone I instantly admired and had great respect for. She was someone with class and grace. She was so sophisticated yet down to earth at the same time. A life well lived; yet gone too soon. She fought so hard and now she will live in eternal peace. May God bless the entire Castro family and to Soledad, know that we will help take care of them until y'all meet again. ❤️

“ I have so many memories in the Castro household throughout my high school years. When I'd visit Stephanie's, Soledad was always so funny and fiery and made me feel so welcome. I'll never forgot the yummy food and drinks she made. I always thought of her when I have a watermelon Agua Fresca because she made the most amazing one for us one time. I'm now really happy to have that memory of an amazing mother who raised some amazing children including one of my best friends. Sending love and prayers to the Castro family.

“ Soledad was my “amiga”. She & I would practice English & I’d try to perfect my Spanish. She made me laugh with the funniest things. I will cherish the memories we shared & miss her delicious Christmas gifts. She loved her children & grandson so much. Rest my sweet friend. Con Cariño

“ *My mother Soledad is the strongest woman we’ve ever known, a woman who made so many sacrifices for her children and overcame many obstacles. She will always be an inspiration to us and serve as motivation to defend the defenseless and fight for what’s right. We love you forever mama, you’ll always be the light in our lives.*
