“ I am so sad to hear this!

*Sonia, you are such a special person in my life. You taught me so much over my 23 years of working in Occupational Therapy, and you even helped me to get work when I was down! You never ceased to share your advice and knowledge. You had the biggest heart for people!! It was always a joy to be around you at work and off of work. You were always a sweet lady! May your life be an example for us all.*

*Dear family & friends of Sonia,  
May we all remember our dear Sonia by being as kind and loving and helping to others, in all areas of life, as she did! She has left a legacy in our hearts and our lives. Let us never forget her joyful and loving spirit that we all felt around her. No matter how bad the day was she always managed to make us smile with her warm smile!! It was like your sweet smile-candle lighting ours, it was contagious!*

*I love you my dear friend Sonia. I only pray I can be as caring, joyful, and radiant towards others, as you were. You did not just share your faith in God, you lived it! I pray I can emulate that in my new ministry for God! You will forever be in my memories!*

*You fought the good fight, you ran the race! Rest in peace dear friend, and we will see you again in the day of Resurrection!*

*May her memory be eternal!*
