

## Stephanie F. Fowler

October 16, 1958 - August 26, 2017

Stephanie F. Fowler was born Oct 16, 1958 and passed peacefully on August 26, 2017. She was a spinal bifida baby and required numerous operations throughout the years the majority which were done at Wilford Hall USAF Medical Center. She lived all her life with her mother Marcia R. Fowler who taught her to be independent and self-sufficient as she could be while being confined to a wheel chair.

Stephanie and her mother took many trips to visit the Hill Country and other areas of Texas as well as traveled out of state to Mississippi and Rhode Island. Her first airplane flight was to Las Vegas Nevada to The Mirage to see Siegfried and Roy and the White Tigers. She was a diehard Willie Nelson fan and was able to see him in person when he performed at Floore's Country Store in Helotes TX.

It did not matter where she went she never met a stranger as she was always smiling and made friends easily. For years she attended exercise classes several days a week at LA Fitness and enjoyed socializing with her fitness friends. Stephanie loved to sit in her wheel chair on the front porch and watch her neighbors come and go and, especially at Halloween, when she would don a costume and hand out candy to Trick or Treaters.

She is survived by her mother Marcia Fowler of San Antonio, her sister Laurel

Craft and husband Todd of Biloxi MS, her brother Les Fowler of San Antonio, her father Stephen L. Fowler, CMSgt, USAF Retired, her half-brothers Sonny Fowler of CA and Don Fowler of TX, her aunt Susan Bradbury of TN along with several cousins and many friends throughout San Antonio and the United States. Her smiling face will be missed.

“ DEAREST MARCIA AND FAMILY,

I JUST FOUND OUT ABOUT STEPHANIE, AND MY FAMILY AND MYSELF ARE DEEPLY SADDENED.

I REMEMBER THAT STEPHANIE LOVED TO WATCH "IRISH DANCING", AND THAT SHE WAS VERY CLOSE TO HER MOTHER.

I MET STEPHANIE THROUGH OUR BUSINESS WHERE MARCIA WORKED, AND SHE WAS ALWAYS A DELIGHT.

OUR DEEPEST THOUGHTS AND PRAYERS ARE WITH YOU ALL,

BLESSINGS AND LOVE,

SARMA (DENTON) AND FAMILY
