

Stephanie Marie Perez

May 5, 1993 - May 19, 2022

Stephanie Marie Perez entered Heaven's gates on May 19th, 2022, at the age of 29. She was born on May 5th, 1993 to Arturo and Cynthia Ann (Alvarado) Perez.

Stephanie is preceded by her beloved mother, Cynthia Ann Perez. She leaves behind to cherish her memory her father Arturo, brothers Aaron(Leslie) and Ryan, nephews Ryan Patrick Perez Jr and Ezra as well as her niece Madison. She will also be remembered by grandfather Guadalupe, as well as the many cousins, aunts, uncles and friends and co-workers who were like family to her.

Stephanie accomplished many many things in life, the first of which was graduating from Highlands High School class of 2011. This was extra special as her preceded mother graduated from college at the same time. Prior to graduating high school, Stephanie worked at HEB, and continued to do so after, touching many people's lives. While working at HEB, Stephanie attended nursing school. In September of 2018, Stephanie graduated and became a Licensed RN. Her drive for becoming an RN came when she witnessed the help and care her mother received while she was sick, she wanted to provide the same help and care for others. Stephanie's ultimate goal in life was to help, encourage, inspire and lift people up. One of her last departments was working with pediatrics and cancer patients, she was always telling us about how she looked after them and I'm sure they saw her as a

caring sister. Some would even say she changed their lives in ways they could have never imagined. Stephanie was always all about family and friends. She considered and treated friends, as well as patients, like family. With a heart and spirit so pure, you could not get past her angel-like personality. She loved traveling, sunsets and working out, both competitively and recreationally. She was stronger than most people both physically and mentally. She loved sports and played in different outside leagues, volleyball being one of her favorites. She took hiking and nature to heart as well. Aside from meditation, she was always open to activities that relaxed her soul and mind. She would journal from time to time and started reading more books about personal growth, always waiting to improve herself.

Another huge individual accomplishment was the purchase of her first home in December of 2020. Stephanie was so proud of herself as we all were.

Stephanie went after everything she wanted in life and never gave up. If met with doubt, she'd use it as motivation to get it even quicker. By the age of 29 Stephanie had accomplished what some may not ever in a lifetime.

In 2020, she became a Licensed Realtor. Just like her patients, her clients were made to feel like family. She became a huge part of people's lives by helping them buy or sell a home. For some being first time home buyers, Steph was always there to help guide, inspire and make sure her clients were taken care of. She treated them like family and changed their lives forever.

Until her passing, she continued working as a nurse and realtor simultaneously, as her passion was helping people, and as if she didn't have enough to keep busy, she decided to bring home and take care of her most precious dog, Grace. This was another way of Stephanie living life to the fullest.

She always wanted more for herself. Her next step was to buy an investment property and be able to accomplish this as well. Although she was not able to complete this transaction before her passing, she knew what she wanted. She also was getting ready to be a travel nurse to add under her belt.

When you hear the name Stephanie Marie Perez, the only words you can think of are, beautiful, pure, kind, funny, sweet, inspirational, smart, caring, driven, and most importantly family.

Her laugh and smile will forever be missed, but her memories of it all will live forever.
