“ Rhonda and Family, I have known Steve wow since before I could imagine, I grew up on Tammy just around the corner. But thru Hanging out in High School and Bands and Sundays in rhe Presearves, or after coming home 20 yrs later and reconnecting thru friends. He was a great person. I have some pictures im sure, and will start to look and add them. Prayers for the Whole Family.

My deepest sympathies. My mother and Steve's mom were best friends since they were very young girls. Steve and I were childhood playmates. I moved away and had not seen him in years but I have the fondest memories of our childhood. Jessie
