

Stephen Colunga

June 26, 1957 - December 17, 2024

Stephen Colunga (Steve) was born in San Antonio Texas on June 26, 1957, to Romulo M. and Elvira E. Colunga. He passed away on December 17, 2024 at the age of 67.

Steve grew up in Somerset, Texas and attended Somerset High School where he played football. His love for music was evident from an early age as well as his interest and ability to retain facts and trivia from history, politics, culture, and music. He played the trumpet in the high school band and learned how to play the guitar. Steve went to Texas Lutheran College where he graduated with a degree in Accounting in 1979. His work history includes banking, corporate finance, entrepreneurship, and most recently, he was Director of Finance at Alamo Community Group.

Steve, an audiophile, dedicated much of his free time learning about speaker technology, sound engineering and passionately learned about all genres of music. He sang in the San Antonio Choir and supported the symphony, opera and other musical organizations in the area. In addition, Steve enjoyed trying new and different eateries and was the go-to person for a good restaurant recommendation. His conversation and quick wit were always a fun addition at any gathering.

He is preceded in death by his father Romulo M. Colunga, and brother-in-law

Richard D. Relyea. Survivors include his mother, Elvira E. Colunga, his siblings, Elva C. Mattox and her husband Joseph E. Mattox, Miriam Relyea, and Rene B. Colunga. In addition, he is survived by nephews Joseph Christopher Mattox and Benjamin Noel Mattox and niece Emelyn Grace Relyea as well as other family members and friends.

A gathering will be held on Saturday, January 11, 2025, from 11:00 a.m.-1:00 p.m. with a memorial service at 12:00 p.m. at Brookehill Funeral Home at 711 S. E. Military Road in San Antonio.

“ Im so very lucky to have met you through Brandi. Any Holiday or gathering I would always look for or ask why weren't you there. You always gave the best gifts to the kids on Christmas! I could never compete with how cool you were! Even that one time you gave Brandi that top notch Margarita machine for their boat! Sheesh! That was probably in the year 2006! I'll miss you. You always treated me with respect and had interest in my personal life and I thank you for being my friend ☐.

“ I met Steve at Concert Sound way back when it was in the Yard in San Antonio. He later became a great friend of our family. He was so kind to our son. He introduced to good coffee and great hifi. We miss you Steve. Rest easy my friend.

“ Hi this is joey. Steve had a big heart and shared his passion for music and hifi with all of my students at UIW. He is missed. Steve wasn't just my HiFi customer, friend or mentor, he was family. Steven got to know my kid, he was my neighbor at one point for a couple years and would come over for meals and we would go over to his place and listen to hifi. He visited Dreamonoid's HiFi for years on the weekends. We would BBQ together at the shop. I remember him bringing steaks and us making a youtube video about it. Steve is always gave thoughtful gifts and had an enthusiasm for life that was kind.
