

## Stephen Eric Nesloney

January 16, 1965 - August 14, 2021

Stephen "Eric" Nesloney

1/16/65 - 8/14/21

Eric Nesloney was a loved husband, father, brother, son, friend, local business owner, and lover of all things related to fast cars and motorcycles. He attended Saint Gregory's Elementary, Antonian and Clarke High Schools, and owned and operated Nesloney Auto Repair in the Dellview area for over 20 years.

Eric is survived by his wife of 31 years Courtney Nesloney, sons Stephen and Sean Nesloney, his brother Greg Nesloney, his sisters Carey Horchler and Jennifer Nesloney, his mother Carolyn Jeter and his father Dolph Nesloney. He has numerous nieces, nephews, aunts, uncles and cousins.

Eric has been active in the Dirt Bike Club of San Antonio since he was a teenager and was known as one of the best auto mechanics in San Antonio. He loved fishing, model airplanes, fast cars, motorcycles, and dirtbikes. Eric and Courtney spent most of their free time together at trials bike events all over the State of Texas, or cruising the Hill Country on their Harley. His brisket will be missed by all; he kept his recipe secret. He never met a stranger and his sense of humor could brighten everyone's day. He will remain loved and missed by so many.

A memorial service will be held Saturday, September 4th at Zars Ranch located at 4134 FM 1303 Floresville, Tx 78114. We will meet at the pavilion at 5pm.

In lieu of flowers, you can donate in Eric's name to the Animal Defense League in San Antonio or Bulverde Humane Society.

“ Hello Courtney. Linda Ginnelly called me to let me know about Eric. My sincere condolences to you and your family. I remember when you would talk about Eric and how you, your boys and Eric spent your time together. I remember meeting Eric. Both of you seemed to be such a happy couple and you both shared so much together. Once again, I am thinking of you and hoping that your love for each other will create memories that bring you peace and comfort. Love,

“ Eric was a good honest family man. There was never a full moment in the Nesloney household. The family that plays together stays together seemed to be his motto. Integrity, hard working and dependable was a given. Eric left that legacy for his at sons.

“ Eric was a fellow dirt bike rider/mentor, fellow board member of the DBSA, my mechanic and friend. He always helped me when I needed it and sometimes it would be two days before I left the country! I felt I could trust Eric like a big brother. I admired his strong personality and commitment to family. My deepest sympathy and condolences go out to his family. Losing Eric is terribly shocking and a great loss. May God bless his family and in time help ease the great burden of pain they are feeling.

Sincerely, Lori Hartman

“ Our Dellview community has lost a good man. He was genuine and honest. I love sitting in the office waiting for my car and talking to him about politics. I loved his honesty and wit. I pray that the families memories will sustain them through this loss. God bless each of you and know that heaven has a place for good people and he's there. Debbie Newman
