

## Stephen Gilbert Segura

April 8, 1952 - August 12, 2021

Stephen Gilbert Segura  
(April 8, 1952 – August 12, 2021)

A loving husband, brother, son, uncle, and friend, Stephen G. Segura went to be with his wife Lori and the Lord on August 12, 2021, at the age of 69. He was born in San Antonio, Texas on April 8, 1952 to Enrique and Mary Louise Segura. He is preceded in death by his wife, Lori; his parents; and his sister, Diana Denison. He is survived by his sisters Donnie Miller, (Howard); Rebecca Cox (Jimmy); brothers Henry, (Rebecca); David (Theresa); Carlos, (Rosa); Gerard, (Patricia); Phillip, (Ricarda); and Alexander, (Martha). He is also survived by several nephews and nieces.

Steve grew up with 9 siblings and was known for having a laid-back approach to life. He was a “rascal” growing up being a mischievous youngster in school and home. He was known for being the jokester in the family often teasing his siblings with nicknames that would stick throughout life. He attended Burbank High School where he participated in band and also ran track. Upon graduation from Burbank, he enlisted and proudly served in the US Army – this included his involvement with the special tank unit at Ft. Hood, Texas.

In adult life, Steve worked mostly as a landscaper – and really enjoyed gardening, (like his mother). He also enjoyed fishing, watching sporting

events, and some traveling all with Lori. He also enjoyed spending time with family who acknowledge he was known as the “favorite uncle” in view of his sense of humor that could bring great laughter to the point of tears.... part of this was the fact that in his whole life, Steve projected a sense of having never grown up. His family also remembers him as always trying to lend a helping hand to anyone in need. God, please take care of our guy, Steve.

*Steve was my husband David's best friend. I am so sorry to hear of his passing. We loved and missed him & Lori so much when we moved to PA. Rest In Peace my friend, watch over us and Morgan said she misses her Steve and will always be his penguin.*

*I remember Steve from Burbank High School. I don't think I ever had a class with him. However, I saw him frequently passing by and stopping to talk with friends. He had a lot of friends. Always smiling or laughing about something. Always fun to be around. Being in his presence was always a relief for me because I was always stressed out with studying hard and working several part-time jobs after school. I truly regret missing him by three years. I started trying to reconnect with former classmates (1970) in 2015. Recently, I ran across a photo of me with Rebecca Segura (then) at our Junior-Senior Prom. I decided to search for him. I was truly devastated to see his obituary. I can only imagine the pain and heartache his loss was to his family and friends. I truly regret not having searched for Steve years earlier. My condolences to all. Rodolfo (Rudy) Carreon, Burbank Class of 1970.*
