“ I just learned of my Uncle Lee's death from my father. Although I have been living so far apart from family all these years, he was always a warm and welcome visitor. I remember both your parents from my own parents' 50th Wedding Anniversary party in 1999, which may have been the last time I saw either of them - and what a wonderful memory it is. My sincere condolences to cousins Linda and Larry and family. Cheryl Kotecki
