“ I have so many years of memories with Steve including the last moments of his life. We shared 3 kids, and 4 grandkids. His work is SATX will be lifelong memories for them. I will love and miss him for the rest of my life. No flowers, but anyone who would want to donate money to the American Cancer Society in his name are welcomed. Steve passed away from Covid 19.

Tough in spirit and strong in conviction, he faced life's challenges head-on — never backing down, never losing his grit, and never surrendering his sense of self. (well of course because he had Janet by his side!)

Some of my favorite memories will always be us traveling to Italy together...

May he rest peacefully, knowing he lived fully, fiercely, and exactly as he chose...

My heart is with you Janet, Tee and Mitch... truly he was one of a kind!

I was always happy to see Steve whenever he will come over or we will go over we always had a wonderful time he was a great person to know always happy friendly go lucky. He took in my granddaughter as his own grandchild, she was truly blessed to have him as a grandfather figure. I will always remember his Hardy laughter... May Steve rest in peace I know he suffered there at the last.. and God bless his family. 🙏

*I met Steve when I moved to the Assisted Living Facility in San
Antonio. I have a sweet dog named Izzy, who Steve loved to watch
whenever I visited my husband in the VA Home. I would bring him a
chocolate malt whenever I came to pick up Izzy. He loved those
chocolate malts!!! I will miss his laughter and friendship.*
