“ I knew Steve from working with him at Rich. I considered him a friend. All of us loved how he used to laugh and joke.

He will be missed by all of us. Know my wife and I are raising him and your family up in prayer.

I am sure he has the angels laughing with his jokes, I heard them through the thunder.

“ God opened his road or highway to heaven and Steve is now at his final destination with his love ones and angels. Be happy for Steve because he traveled many miles and viewed the beautiful terrains that God created. He saw lakes, mountains, plains, forest and deserts. I was a truck driver many years ago, and traveled many states. God allowed me to see the land of the free. The scene of each state was breath taking and I know Steve was grateful that the Lord was with him on every journey from sunrise to sunset. Truck drivers risk their lives to transport our food, lumber, medicine and many goods. Don't cry for Steve and share his truck driving on the road stories. Truckers are kings or queens of the roads. God Bless Steve and his family.

Dad, just wanted to say I love and miss you. I could be feeling down, but once you stepped a foot out the room door you just knew how to put a smile on my face. You will be missed dad.
