Steven Michael Alvarado

April 1, 1998 – February 4, 2026

It is with profound sadness that the family of Steven Michael Alvarado announces his sudden passing on February 4th, 2026 at the age of 27.

Steven graduated from Tom C. Clark High School in 2016 and earned an Associate of Applied Science Degree in Human Services – Addiction Counseling from San Antonio College while being recognized as a Distinguished Graduate in 2024. His kind heart and caring spirit enabled him to help countless people with addiction and mental health issues get the help they needed. He never hesitated to help someone in need, many times working tireless hours late into the night. His own personal experiences drove him to help others and he once said there was no greater reward than watching the miracles that take place in the treatment industry.

In his spare time, Steven loved sports, both watching and playing them. There was no sport that Steven wasn't willing to try, and when he did try, he put all his heart and soul into it until he perfected his game, much like he did with everything he was passionate about in life. His infectious laugh and mischievous smile made him friends everywhere he went. His family was everything to him and his beautiful baby girl, Olivia, was his pride and joy.

Steven is survived by his loving wife, Alyssa, and their beautiful daughter, Olivia Elizabeth, as well as his mother, Gina Valorz, his father, Gregory Alvarado, his brother, Gregory Matthew Alvarado, his grandfather, Gregorio Alvarado, and numerous loving aunts, uncles and cousins. He was preceded in death by his beloved grandmothers, Linda Vela and Flora Alvarado.

Steven's life on this earth was cut far too short, but his sweet spirit and kind heart will continue to live on through all who were blessed to know him.

“ *This is heartbreaking. I have few memories of our son’s childhood without Steven in them. He was Rocco’s closest friend through elementary and middle school. I had the honor of coaching him in basketball for about 5 years and he was a constant at our house. He had an infectious laugh, a constant smile and a quick wit. I know the road was not always easy as he became an adult, like many of us navigating that stage of our lives. He always had a good heart and kind disposition. He will be missed and we know he is at peace. RIP Steven. Love, The Paccione’s*

“ I met Steven through work years ago. Through the years I watched him grow. We used to laugh that I was his work mama being just a few years older. Lol

Steven always made me laugh with his quirky stories but also helped me be better at helping others in treatment.

My heart breaks for Alyssa and Olivia but I know Steven is in a better place now and will always watch over them especially Olivia Rest in peace now Steven

With much love. Linda and Charlie

“ I am so deeply saddened and shocked by this news... Steven was my entire childhood. He was my best friend and my rock during my most formative years. We spent countless days together throughout middle and high school and made so many memories. When we graduated, we went on a month long vacation together and I will cherish those memories for ever... We grew apart but always remained friends and rooted for each other every step of the way. My love for Steven runs so deep, always has.. sending so much love and condolences to his family. His daughter especially. This is just so heartbreaking..

“ I met Steven through work, and from the very beginning it was clear how passionate he was about people and life. He carried himself with a kindness that showed in his smile, his attitude, and the way he treated everyone around him. He often spoke with pride and joy about his beautiful new family and what it meant to him to be a father — a role he cherished deeply.

Steven had a natural way of helping others. He led with compassion, always ready to offer support, encouragement, or simply a listening ear. At work, he was lovingly described as “the most wonderful little brother” and someone who brought joy wherever he went. That description was evident every time I was around him — he made people feel valued, welcomed, and cared for.

He will be remembered for his gentle spirit, his love for his family, and the warmth he brought into every room.

“ Steven was one of my closest friends. He felt like family. Having the pleasure to see him in so many different environments - with his family, at work, around friends - what I'll never forget is how Steven always made everyone feel welcomed and appreciated. He was kind to everyone. He wanted everyone to feel like they were the most important voice in the room. He used this trait of his to help thousands of people at their lowest moments. Some of these people, I watched him help, and there was never a doubt that when he was helping other people he was doing exactly what God wanted him to do. There was a sense of comfort with Steven that everything was under control when he was with you, a very stabilizing voice and one of the most thoughtful people you have ever met. Hearing him talk about his wife, daughter, mother, father, and brother - and just how much he loved them - made you want to love your loved ones. Hearing had so much to give, and I will never forget how he blessed me with his friendship.

I hope one day, Olivia will come to know her father like so many of us did through the testimony of others. And will come to know how much and how unconditionally he loved her and the rest of his family. I love you Steven!
