“ My one of kind, Steven! You were and will continue to be a major influence in my life while working together for over 17 years but also becoming close friends during our journey. If you were in circle, Steven was compassionate, loyal, fun, humble, provided unconditional love, and always there for you no matter the situation. He absolutely loved his wife, kids, family and friends! He will never be forgotten because he was a huge impact in our lives, including our extended construction family. He was my dog and more than just a friend. I'm going to miss our talks about how great you were as a detailer, talking about our grass, fantasy football, and those great times we had together! You will truly be missed and not forgotten. Until I see you again, I love you brother! 💪🙏

You were there in bad times and good times. A loyal friend. I'm grateful to have been a part of your life. You were truly a blessing. R.I.P. brother!

“ Garcia, my brother—thank you for the memories, the laughs, and the guidance you gave me through my VA disability process. I owe so much of that journey to you.

*Man, this is harder to write than I imagined. From the moment we met to our last conversation, you were always the same old Steven—loyal, honest, and real.*

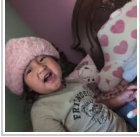

*I'll leave this picture here—one of my favorites—not just because of our friendship, but because of the unforgettable times we had out on the river.*

*'Til Valhalla, my brother.*
