“ *Mac, as all of us at Vintage Air Inc. have known him, will be missed. I have had the pleasure of working with Mac in the Electronic Department of Vintage Air Inc. for the past four years. I have never worked with someone more dedicated and detail oriented than Mac. Quality work was first with him and his compassionate spirit was infectious. We had a lot of laughs and he shared with me about how he loved to spend time with his brother Robert and nephew Ryan and his love for volunteering as a flagman at the go cart races. Mac, would make you think and earn information about what he was trying to say, like in riddles, which always made me laugh. Nothing but love for you, Macaroo.*

*Much love,*

“ Steve was a really good man. He was always so carefree. I've known him for along time and never saw him mad once. He gave wholeheartedly and never asked for anything in return. I saw him give Ryan his all. You truly will be missed. Rest In Peace. Mike and Steve know that we are here for Big Rob.
