“ I have so many loving memories with Steve. He was like a son to me. I'd never been out in the Gulf fishing. He took me Snapper fishing for the first time. Probably took us 1 1/2 hours to get to HIS programmed spot. We caught our limit within 15 minutes. I'll always remember going with Steve to Yummies at South Padre Island for the club sandwich. Not sure how he did it, but he would eat the whole sandwich.
