

Steven Paul Neugebauer

July 11, 1959 - April 7, 2024

Steve went to be with our Lord and join his dad, on his dad's birthday, April 7th. He is survived by his mother Frances, wife, Pam, stepson Jason (Kendell), grandson Matthew, brothers Art Jr. (Janet), David, Mike (Kathy), sisters Cindy (Mike), Sharon, Laura, and Jodie (Scott), numerous nieces and nephews. Steve loved large family gatherings which including lots of talk and laughter. He loved his man cave, cold beer, country music-his favorite songs "Pop A Top Again" & "Live Like You Were Dyin", neighbors-friends, mom visits, Dallas Cowboys, UT, Rangers, and most of all he loved to go fishing at Rockport. We plan to celebrate him as he wished, with a gathering and to leave his ashes in Copano Bay, at a later date this summer. He will be forever in our hearts and memories until we meet again in heaven.

“ Sending hugs and prayers to Laura, Sharon and the whole family on the passing of Steve. I was younger than him, but remember him from playing at the LaPoint's, across the allyway, & summers at the Jefferson pool. He always helped rally a game of some sort & was a super-flipper off the board at the pool. I know your memories will keep him close at heart. Love to all, Phylis (Pena) Zimmermann

“ Back in the day I never had a big brother till I met Steve. He was always there when I needed him. I am sadden I didn't take the time to look him up when I got back to San Antonio. There is nothing bad that you can say bad about Steve. He had a big heart. May the Lord bless the family and help them get through this time. God bless. Monette Smith-Velasco.

“ So sorry that my great friend Steve has passed. Steve and I were best of friends in high school, playing baseball, hanging out, and enjoying life. He and his wonderful family opened their home and hearts to a bunch of crazy young people. Our families were also friends and collaborated to keep us safe and teach us about life. I will always love Steve for being a loyal and good friend. I thought of him often over the years but unfortunately we didn't see each other. The times we shared will never be forgotten. God Bless Steve and his family. Richard Munoz and family

“ Our hearts are broken at the loss of my brother Steve, who was such an inspiration to us all of how to endure and never give up no matter what life brings you. Special memories I have was bowling every Friday night with our team we called the "Mixed Nuts" with myself, our Mom, my husband Mike, Steve, and Joey, one of his closest friends. We had so much fun and got to know each other enjoying a sport we all loved. He will be so missed, and we will cherish his life memories forever. Pam was always by his side and their love for each other was his a reason to never give up, and he did not until God took him home. Love you Steve and give Dad hugs and love from us. We will miss you my little brother.
