“ Dear Stillman, I am so blessed to have known you from our IIC days and enjoyed working with you on the side after you left. You always intrigued with your stories that you would share and how you and Maria were truly as one. I'm saddened by the news and I wish I could have had the chance to say goodbye. You and Maria have a special place within my heart and I will never forget you.
Dear Maria, I pray that you will find peace in knowing that Stillman will always be watching over you. Please take my number and call me if you need anything. I was just told of the news late yesterday and unfortunately was unable to attend the service today in order to support you in your time of sorrow but you are on my mind and in my prayers.

“ *Stillman, I know its been only a few days but it seems like a lifetime. You were like a father to me more than anything else. You taught me things in life that I will hold onto forever, memories that I will hold dear to my heart forever. I'm thankful that God placed me in your Path to help you, and you in mine to teach me how to plan for the future and live life to its fullest. You are truly missed.*
