“ Susan taught me so much being a young leader. She was beautiful inside and out and words cannot come together to express how much she meant to her leadership academy family. She spoke about her daughter all of the time on how much she loved you and thought about you, especially in our one on ones. I know she is with you. Susan you will never be forgotten. I thank you 1000x for everything that you have ever done for me. You were my partner in crime!!! I know you're resting peacefully. I want you to know you are on all of our minds... forever and always.

“ Susan will be in our hearts and memories forever. Our team will forever have a hole that can't be filled. She showed us all what commitment and excellence looks like. RIP and may we continue to cherish the gift that was shared with us through her spirit.

“ Susan will be greatly missed and will continue to be cherished by all who knew her as her family away from home. She was someone who could be counted on in many ways - and a warm hearted woman who would do anything she could to help others. My deepest condolences to her family and friends, as she has left us too soon, may you (we) all feel comfort during this difficult time and remember to preserve her memory. Thoughts and prayers for everyone, and extra love sent to you Susan. Bless you for blessing us all.
