

Susan Kathryn Hubbert

September 4, 1955 - November 26, 2021

Our beloved sister, aunt, and friend passed away in Seguin, Texas on Friday, November 26, 2021. We know she will be missed by the many people who loved, knew and cherished her. She lived her life the way she wanted to live it. She gave generously of her time and business knowledge. Most importantly she gave generously of her love, her joy for life and her heart. Her sincerity towards everyone was genuine and wholehearted. She brightened the lives of many people just by saying hello and giving them a warm and friendly smile or words of encouragement.

Susan was born in San Antonio, Texas. She graduated from Saint Benedict's Grade School and Providence High School. During this time she fell in love with the music of the time, especially that of Elvis Presley, John Denver, and Elton John. She was part of the first graduating class of UTSA, earning her degree in Accounting in 1976. She later earned her CPA license in 1982. She worked for many years for Hugo Stolte and Associates before moving to Houston to work for Valero Energy Corporation and then moved back to San Antonio when Valero moved their headquarters here. She later then obtained her most exciting and challenging job, becoming the General Manager of D&D Farm and Ranch Supplies in Seguin. She continued to work there even after it was sold to Rush Enterprises. After many years at Rush, she decided it was time for a change and became the Deputy Chief Financial Officer of Accounting and Purchasing at the Guadalupe Blanco River Authority. After 16

years of loyal service, she retired in July of 2021.

Over the years she gave generously of her time and abilities to the San Antonio Stock Show and Rodeo Committee, the Seguin Rotary Club, the Irma Lewis Seguin Outdoor Learning Center, the Guadalupe Regional Medical Center, KJZT Chapter 38, and the Saint Benedict's Golf Tournament.

She was preceded in death by her parents Bill and Bernice Hubbert. She is survived by her brothers Bill (Terri Santini), Dennis (Billie), Robert (Wanda), and Ron. She is survived by many nephews/nieces and their spouses, as well as, many grandnephews and grandnieces.

The family asks that donations be made to the Benedictine Sisters in Boerne, Texas, the Irma Lewis Seguin Outdoor Learning Center in Seguin, Texas or any of the many Breast Cancer Societies.

“ My deepest sympathy to Susan's family. I came to know, respect, and appreciate Susan during my many years on the GBRA Board. She was honest, intelligent, efficient, hard-working, articulate, and always pleasant.

“ Although my aunt Susie never had any children of her own, I always felt she treated me and my sister like we were her own. Growing up , she would attend whatever events such as graduation and weddings whenever she could, and always sent presents and wishes to me and Julie. When I joined the Army and left home at 20 years old, she always asked about me, sent me cards for my birthday and tried to keep in touch with me , no matter where I was in the world. That meant more to me then she could ever know. When I was in Cali, her and my uncle Ronnie visited Vegas for one of my cousins bachelor parties , and I slept on the floor of their room, just happy to be there. When I said I was going out, she said not to get in trouble , which I promptly did , and explained the next morning. She just laughed.....I'll miss her more then most will know. It's a rare person who cares like that. I love you aunt Susie.

“ I'm sorry that I cannot present in support of the family today. Aunt Susie was a very dear role model to me, as a young Catholic woman always aspiring to live her best life under God. My fondest memory of her was when she complimented my wearing my veil to church, in the old tradition. She and Ronnie really made me feel seen and validated in the most personal way that day. I sometimes texted her for guidance or just out of curiosity for how she was taught coming up in the church, as my grandmother - who was my previous example - passed in 2016. I always looked up to her and admired her, because her nephews always said how she loved and cared for them as if they were her own children, and expressed her love often and generously. She was a sweet and trustworthy person and I pray every day for her to let her know she is loved and regarded now, as she was in life.
