

Susan Alice Kunz

February 20, 1942 - January 29, 2021

Susan Alice Kunz, 78, passed away on Friday, January 29th 2021. She was born on February 20, 1942 in Alice, Texas to William and Eve (Harrison) West and welcomed by her older sister, Sally Jo (Baker). On her 18th birthday, she married Michael Wilson Kunz, the love of her life, with whom she had three children, Kelly (Marciano), Robin (Paquette), and Mike.

A sixth generation Texan, Susan worked as the school secretary at Harmony Hills Elementary in San Antonio and attended Covenant Presbyterian. She was a devoted wife, mother, and grandmother who selflessly shared her love with those around her. For over 20 years, the highlight of her summer was the weeklong family trip to Port Aransas, where she spent quality time with her three children and seven grandchildren, who lovingly refer to her as “Moppy”. She was known by all to be incredibly welcoming, making any addition to the family feel they belonged. Her legacy lives on through the cookbook she created for her children and grandchildren to recreate the recipes that they remember most fondly from her loving hands.

She will be celebrated at the annual family beach trip in Port Aransas this July.

“ *I have so many fond memories of Susan that it's hard to share just one. She loved talking about her travels, especially the 'all inclusive' resorts in Cancun. We took her advice and visited the one that she recommended, even taking a gift from Susan to one of the resort employees. She was a wonderful friend for many years. We'll all miss her. My deepest sympathy to the Kunz family.*

“ Susan was the school secretary when I came to Harmony Hills in 1990. And you know what they say to new teachers, make friends with the secretary and the custodians. I was so lucky that she welcomed my friendship. After I left Harmony Hills, Susan, Donnie Roberts, Diane Allen and I started a card group and we got together many times for dinner, cards and lots of laughs. Everyone shared stories of what was happening in their lives. What I remember is that Susan always spoke lovingly of her family and especially her grandkids. We were also in a book club together for awhile and when she hosted the club, we were always glad because she made delicious snacks. We especially loved her deviled eggs. I am so honored I got to know her and spend time with her. I will never forget the good times and the laughs we had.

My condolences to the family. She was a very special person.

“ I’m so very sorry for your loss -all of you. I had the pleasure of meeting Susan and Mike in Calgary, Canada while they were visiting Kelly and Tony. Susan was so warm and friendly in her Texan accent! Kelly always spoke so often and so lovingly about Susan that I feel like I knew her well. She will surely be missed
