Prayers for her family that she always talked about in such a loving & caring way because they meant the world to her. Susan was my family's dental hygienist for over 25yrs. She had a heart of gold & a warm smile that would brighten anyone's day. She was a true warrior & an inspiration to many others. Thanks to God for placing her directly in my path. RIP sweet Susan. “ *We are so sorry to learn of Susan's passing. Our sincere condolences to Susan's family, friends, and co-workers. Susan was impeccably gifted at her craft, and served Laurie and me for over 25 years. Susan was so proud of her family, and spoke of them often. She was also always interested in our family, trips to Vegas/casinos, old cars, UT, UTSA, Spurs, and our mutual battles with cancer. We will miss her, and are thankful for knowing her. “ My condolences to Susan’s family, friends and her Purple Stride family. My great friend for over 30 years, lot’s of laughs and true friendship. Working at Dr Raimondo’s for 28 years together we became such good friends we ended our phone calls with “Love Ya like a sister”. She always described her hubby as her Rock. She was so proud of her kids and grandkids. Susan was so strong and positive through her battle with cancer. I will miss her so much but through my faith in God I will see her again 🙏
