“ Susie & I worked at Rayburn Elementary. I will always remember her energy and willingness to help everyone she worked with. She wouldn't let her illness define her or bring her down. Susie was a proud mom and grandma. We talked often about our kids and her grandkids sharing and bragging of their accomplishments and mile stones. Keeping the family in my thoughts and prayers.

“ *Susie was a dear friend for many years. We first met at Rayburn Elementary in Harlandale ISD. We had a connection before we even knew each other as I was Peter's nurse in 1986. She cared deeply for him as she did for all of her family. In 1994 I became the nurse at Rayburn Elementary and remember all her little granddaughters, especially the little spitfire named Elizabeth! We spoke often of our children and Susie always asked about my daughter, Mia and my cat Milo. My husband, Art, always referred to Rene Sr. and Rene Jr. as the master plumbers!*

Susie was an exceptional lady who fought her illness with grace and even a sense of humor. I shall miss her deeply. God bless you, Susie.

I met Susie as a young teenager,even then she was empathetic. She always seemed older and wiser than her years. Her warm caring nature helped me in my foolish teenage years; her big smile and unforgettable laugh has always stayed with me and will continue to do so. Rene, you and your family have my heartfelt sympathy. I remember when you two met and how crazy in love you were. I pray that you may feel God's comforting presence during this time of sorrow.
