

Susie Garcia Uresti

December 24, 1929 - September 23, 2013

The life of our mom, Susie Garcia Uresti, ended on September 23, 2013 at the age of 83. Our Lord Jesus Christ was there by her side with all five of her children, their spouses, grandchildren, nieces and nephews. She loved being around her family and friends and she was surrounded by them till the end. Mom was named Maria De Jesus Mary of Jesus because she was born on Christmas Eve and was the 12th child born to Benita and Juan Garcia. Her nickname was "Susie". She has one surviving sister, Mary Louise Elizondo, who is like our second mom. Because of mom and Aunt Mary's closeness, they always called each other "Sis".

Mom along with dad, who preceded her in death, was the founders of Uresti's Camper Sales. She was dad's right and left hands. She would start the morning preparing the office for the day and then run home, make five lunch bags and get all five of us up for school in time for the bus. While we were in school, she was the bookkeeper, sales person, installer and whatever other work was required for a day of operation and still managed to have a home-cooked meal ready for us when we got off the school bus.

Mom had many talents which included cooking, arts and crafts, singing and playing the piano by ear. She could hear a song and play it instantly. Her joy was in giving away what she made. She was very young at heart; she enjoyed music from the 40's to the present. Who would have ever thought one of her favorite artists was Janice Joplin! She loved watching classic movies and most of all the Mexican novellas followed by her critiques with her nieces.

Mom had so many friends and family members that loved her because of her outgoing, caring personality that was filled with love, compassion and kindness. She had an incredible memory and told everyone stories till the day before she passed.

Mom, we will continue to feel your love the rest of our lives and we will be reunited with you in Heaven someday.

Love you with all our heart and miss you,

Susan, Camille, Jesse Jr, Terry, Isaac and all you family and friends.
